**Cook Connect Ltd**

Whilst we engage in various cooking activities, the Cook Connect team, in their chef whites, transported *in-school cooking* to a different level.

They managed to squeeze so much in to a tight time schedule. Children enjoyed working with the tools of the kitchen, learning the industry's terms and each child loved going home with the food they'd prepared or cooked.

The children made comments like '*Cook Connect taught me recipes which I can easily cook at home,*' and they all stated how kind and helpful the team were; several parents also remarked on how their children were now being more adventurous and trying different foods.

Thanks Team!

Kind regards,

T W Emery
